Before the story

Look it's about a tree.
Maybe it's about a family
Look at the drawings. I like it.
What do you think?

During the story

The tree is me
Growing from the seed.
Something's wrong - famine, drought, storms
Roots and tree are strong
More trees growing
My seeds fly/ dance (go/leave)
I grow my own family.
New family.
Strong branches

After the story

Think about your family - what can you tell me?
Who is in your family - what are the branches
How did you grow
What happened to make you strong
Who is new in your family.
Look at the pages, which one makes you think of your family?
